My friends,

I want to thank you for your support during the primary. I am convinced that our request for a more active conservative agenda was received and I am fully confident that Mr. Kerr will follow through. Mr. Kerr is a good man and will continue our fight.

It was a spirited contest, but now it is time to **rally behind our party more united than ever.** We have a tough fight against a very aggressive opponent in the fall, but I know Mr. Kerr is preparing to keep the 64th seat in Republican control. I wish him and his family the very best.

Again, I want to thank you for your support. Campaigning is very hard work that takes a large amount of time away from your family. So, if you are able to help Mr. Kerr in any capacity (Yard sign, Donation, Phone calls, Door to door) I encourage you to do so. I will proudly display a "Keep Kerr" sign in my yard this fall!

All the best,
Steve Knipper

P.S. Some of you asked why the red "i", well you'll have to stay tuned...
